FUTURE OF FREEDOM

A FAMILY ENRICHMENT SERIES

Building Stronger Families and Relationships - Against All Odds

There is so much anxiety around us today - wars, conflicts, violence, crime, natural disasters, terrorism, economic uncertainty, unemployment, and disease. We fear for our families and future. It seems as if the world is on the verge of a stupendous crisis. In this seminar you will learn what God's Word has to say about the future and our fears. You will hear messages from the prophetic books of Daniel and Revelation that will give you hope and confidence in these times of great uncertainty.

Learn how you can face the future unafraid. Don't miss a single night!
