## SPIRITUALITY IS GROWING RAPIDLY

At the same time, religious myths have arisen and have become widespread. Exposing the Deadly Myths of Modern Religion will guide you to what is true and what is false. We must engage intelligently instead of defending or attacking based on prejudice or lack of information. These myths can be detrimental to your life.

## WHAT OTHERS ARE SAYING

I am impressed with the clarity of Pastor Jerry Duvall's presentations. Each lecture emphasized Bible truth in a beautiful and logical fashion."

I am driven by curiosity and Pastor Duvall captured that night after night. He gave it to me straight from the Bible. Make time for this event. It will make a better person out of you, a happy person..."

I have been to many different churches and seminars in my life, but I have never had an experience like I did at the Heart of Revelation Seminar."

Pastor Jerry brought truths night after night that opened my eyes, touched my heart, and those truths have changed my life. I now have a much clearer vision, stronger faith because of the lessons Pastor Jerry taught. The overall experience truly was an 'opportunity of a lifetime'."
