REVELATION TODAY

THE MYSTERIES REVEALED

The possibilities are endless! Bible prophecy addresses life's most compelling questions and demonstrates the best days for planet Earth are still ahead!

This continuing series will give you insights into what is in store for you and the world. The Bible—more relevant than ever before—outlines the future for humanity. You won't want to miss a night of Revelation Today!

Brian Hindman

Brian was born as a result of an unmarried teenage pregnancy. But God had a plan and purpose for his life and he was adopted by a wonderful family. He spent 18 years teaching in secondary education before entering the ministry 5 years ago. With a teacher's heart and a preacher's voice He loves to study and present Bible prophecy and the importance of a relationship with Jesus Christ.
